Dear Ms Bondin

Reference is being made to the cases in caption.

Kindly provide this Office with the an update on the status of these cases. The last correspondence received from your end concerning these cases was dated 25 July 2023.

A tangible reply indicating the way forward is to reach this Office by end of this month thus obviating the need for the Ombudsman to take ulterior steps in terms of the Article 22 (4) of the Ombudsman Act and present the cases to the House of Representatives.

Thanks and regards

Maria
